prices subject to applicable taxes

GOLF COURSE

Glen Lea Golf Course is a picturesque, grass green, 18 hole golf course that lies about six kilometers east of Brandon. The golf course plays in and out of a small creek valley, with the creek affecting play on many fairways.

The valley provides lush growing conditions for the course's turf and many trees. The vibrantly green foliage lends Glen Lea a restful and quiet country atmosphere with beautiful views of the Assiniboine River and the Brandon Valley. While mature trees do line every hole, the course still plays fairly open, with only the most errant shots finding trouble.
